### Have you seen the Hairy Bikers' Cook Off Show?

If not yet, don't worry, you still have time till Christmas! Every weekday on BBC2 at 5.15pm David Myers and Simon King host a fun filled family cook off show. Each day two families compete in three cooking challenges. The winners then go on to the next round until Britain's best cooking family is revealed.

All the cooking on the show is done with Fisher & Paykel's double ovens and powerful 5-burner gas hobs.

The OB60BDEX2 has a 53 usable litres main oven with 8 multifunction cooking programmes. The top oven can be used for grilling, baking smaller dishes or keeping plates warm. With catalytic liners, removable doors and removable panes cleaning is a breeze. The triple glazed doors keep the heat safely inside.

Fisher & Paykel's CG905DWAC gas hob has 5 burners with an incredible 5.5kW wok burner. Join Dave and Si' cooking challenge every day and you'll see that all meals are ready in no time.
